

## Holiday Angling At Its Best

### Day Trips

Whilst in Spain enjoy Sun, Sea and a Spanish Safari Coarse fishing trip! All inclusive day trips with everything provided:

Collection from your holiday location in a 4 x 4 vehicle specially suited to the Spanish rugged terrain. Professional English guide with Spanish angling experience. All the fishing equipment required will be provided. Food and drink is available. It's not just a days coarse fishing, but an exciting adventure that will be the highlight of your holiday. Imagine crossing the wilds of the Spanish rugged terrain armed with quality tackle to venues that hold thousands of carp and other species? Rod bending action in the sun scorched Spanish still waters. All you need to do is make the phone call or email and Spanish Angling Safaris will organise your fishing adventure!
