Euro Divers Diving & Watersports Social Club

Euro divers are a social group of enthusiastic sub aqua divers male and female who meet every Tuesday socially to discuss and arrange future wreck, reef, cave, shore and night dives. They dive three times a week Tuesday, Thursday and Sunday. They also have an active snorkeling section. Euro divers are also planning treasure hunts and under water photo competitions, wind surfing sessions. They are not a business, but can recommend good local schools to any one interested in taking up diving or just want a try diving. If you are living in Spain or just on holiday and are interested, you are welcome to join them.
