

# *Los Baños de Fortuna*

Enjoy the wonderful thermal pools with Jacuzzi

Located in one of the best areas of Spain, *Los Baños de Fortuna*, famous for its Thermal Waters. Its thermal and healing baths date back from Roman and Arab times. The waters rises from the earth at a temperature of 53 degrees Celsius.

**Water composition:** rich in sodium, chlorine, sulphates, fluoride, etc... These medicinal waters are appreciated and ideal against rheumatic illnesses and chronic respiratory illnesses.

## **THERMAL POOLS**

Our dry and sunny climate is one of the best in Spain and especially beneficial in autumn and winter for rheumatism, arthrosis and asthma.

The area with two thermal pools where you can find a great variety of hydrothermal services; a place to recover your vitality, enjoy leisure and rest and where the relaxation provided by 35°C thermal waters brings a pleasant well-being. The facilities have different types of cervical and lumbar water spurts, waterfalls, Jacuzzis and water beds. You can enjoy a wide area furnished with free sunbeds, changing rooms and a cafeteria.
