

Welcome to PINKS Hair Beauty & Tanning Salon

We offer a wide range of hair styling and beauty services tailored to your individual needs, from a simple cut to extensions, from nails to fake tans. All of our hair stylists and beauty therapists are fully qualified.

Mary Davidson and her team of stylists, made up of experienced professionals, have established themselves in Benijofar as one of the top beauty and hair salons in the region. After bringing her vast proven experience to the Costa Blanca Mary set about putting together a group that not only works well as a unit but also one that knows what their clients want!

You'll find them in their new larger premises which is a great sign of their progress and intentions where they accommodate the hair salon, the beauty and nails and also the new training school – called The British school of Hair and Beauty.
