

# Laurel and Hardy's Bar and Restaurant

AN established favourite in Ciudad Quesada for the last few years, Owners Martin and Julia Eastgate are looking forward to meeting existing customers and welcoming in new guests, to enjoy more of what Laurel and Hardy's reputation has been built on.

If you are one of the many regulars, from the moment you step inside you will notice a few new touches and a fresh look welcoming you upstairs to the stylish dining area, inviting bar, and expansive terrace with views out towards the Orihueela and Callosa mountains.

Martin and Julia have assembled a team who possess a passion for delivering warm hospitality to their guests, while you enjoy great food inside or out on the terrace, or even just drinks relaxing on the sofas of the bar and terrace.

Table reservations are recommended in advance for dining, or you are welcome to just pop in to enjoy a drink or two.

Laurel and Hardy's Bar and Restaurant will be open Monday to Saturday from 6pm, and on Sundays (with a varied menu including traditional Sunday lunch), from 1pm until 9pm.
