

Quesada Commercial Centre Pueblo Bravo

Budapest Restaurant

The Budapest Restaurant is one of the best restaurants in the Quesada area for value, service and quality of food. The decor is classic mid-European - when you walk in you feel like you have been transported to Budapest

Don't be put off thinking its only Hungarian it has a good range of food. This local restaurant is worth a visit on a special occasion or indeed anytime. Easy to find, plenty of parking but would suggest you book in advance.
